Each year, United Women in Faith members prepare for faithful living and action by engaging in transformative educational experiences at **Mission u** events. These events are centered around **Mission u** curricula that are designed to motivate, inform, and enrich our commitment to global ministry.

Jesus told his followers the kin-dom was among them (Luke 17:21). What does that mean? Who does Jesus say will inherit the kin-dom? How do we transform ourselves and our communities in ways that bring us closer to the kin-dom and the kin-dom closer to us? Dive into these questions and more at Mission u 2024 as we examine Scripture together and join in worship fellowship, and action.

The adult curriculum, *Welcome Home*, uses the image of home to explore how living in close proximity to the kin-dom is like making a home with God. Participants are invited to develop practices for building healthy, welcoming communities as a result of being anchored in the abiding love of God.

We'll explore how we can know God as an intimate friend who welcomes us. Abiding in God's safety and dwelling in God's provision, allows us to open our hearts to a fuller embrace of the power and presence of God so that we may find our home in God. Participants are invited to dig deeper into what it means to live in the kin-dom of God and how this helps us to develop practices for building and existing in healthier communities.

As last year, the study book does not have text for participants to read before class. However, they will be beneficial if you are leading the study at a later date. Study books will be available for purchase at all Mission u events.
